Good Afternoon,

We would like to advertise a loom currently in the collection of the Kedge Weavers Guild It is too large size to be easily borrowed so we would like sell it to anyone who might have space for it.

Many thanks,

Bridget Elliott
Chair, Kedge Weavers Guild

Nilus LeClerc 60 inch Mira 4-shaft 6-treadle counterbalance floor loom.

In good working condition. Includes sectional warp beam, home-made weaving bench with tool compartments, set of lease sticks, 60 inch #10 reed, hundreds of wire heddles, 2 aprons, 6 metal rods (3/16" x 35.5"), and a dozen warp sticks (47"). According to information on the Camilla Valley Farm website, this loom dates from the late 1970's. Price \$500 OBO.
