

For Sale: Spinning Wheels

Ashford Traditional single drive, single treadle. It comes with the little lazy Kate and 4 bobbins and original instruction booklet. I just put a new flyer on it. It is in good condition and works like a dream.
Price: \$350

This is the Ashford Joy 2, with sliding hook flyer. It is double treadle. It has its own lazy Kate built right in it and it comes with 5 bobbins. It folds up and has its own carry bag. In like new condition. I have the booklet that came with the wheel.
Price: \$800

Ashford hand carders. \$30.

I have a lot of other spinning things too like a skein winder, a reel winder, niddy- noddy, the ashford book of spinning, The book In Sheep's Clothing by Nola Fournier and Jane Fournier, A how to spin DVD by Patsy Zawistoski, back issues of Spin-Off. Knitting books. Lots of fiber alpaca, Shetland wool plus others. Really to much to name but who ever comes to buy the wheels can have their pick of this stuff free. I really just want someone to have it that is going to enjoy spinning. I loved it and I know equipment and fiber are expensive for someone starting out so would be pleased if my things would be of help.
