

For Sale

45 inch loom (Leclerc) 4 shaft counterbalance loom. It is at least 60 yrs old. I bought from an elderly lady near Baddeck . It is in fair condition. It could use some T. L. C. All the parts are there. Also I have some weaving books and a few 70's magazines to go with it . There are 3 reeds with it plus a bench.

I would like \$400.00 for all of it .

If anyone is interested in it, I will put it together for viewing. You can reach me at 902 223 8393 .
