Hi Fran,

Please post my ad on the site. I have changed the text slightly.

Wendy

**FOR SALE \$ 3,500.00 or best offer**

40" AVL folding 16 shaft compu-dobby loom with 2 warp beams and flyshuttle;  
great for weaving intricate patterns efficiently

- 40 inch weaving width; adapted to fit 46" reeds
- 16 shafts with polyester heddles
- Includes original mechanical doobby system as well as Compu-Dobby II system
- Bottom swing beater with flyshuttle and pirns
- Second warp beam for supplementary warp
- Bench and original manuals included
- Hardwood construction, all original parts
- Very good condition, light use, works well; selling to focus on drawloom weaving

Location: Waverley, NS

Pick-up will be required; loom can be disassembled for transport
